Park Guide Expedition Day Trail

Answer Locations

We want you to have a safe and enjoyable time here at the Yorkshire Wildlife Park. Please follow these simple rules. Always wash your hands using warm water and soap after touching any animals and before eating food.

Always use the hand sanitizers available around the park. Remember these are not a substitute for hand washing. Do not eat or drink in animal areas.

Do not leave food debris in the picnic areas. Many thanks for your co-operation.
