ALL WEDDINGS WELCOME

We are fully licensed to host civil ceremonies & same sex weddings at Yorkshire Wildlife Park and we also welcome Asian weddings. We respect all religions and cultures and will endeavour to work with you to bring your vision to life!

✿ With bespoke wedding packages tailored to your specific needs by a dedicated team of event specialists, YWP weddings combine the facilities of the multi-award winning park with the nostalgia and magic of family zoo experiences to bring your dreams to life!

Accessibility

Yorkshire Wildlife Park has made every effort to make the park, and our wedding venues, accessible to all guests - with wide doors, accessible toilets, accessible elevators and level, wheelchair friendly pathways throughout the park.

Guests are welcome to bring their own wheelchairs or mobility scooters, however a limited number of manual wheelchairs and electric powered mobility scooters are available to pre-book if needed. Assistance dogs are welcome throughout the park, except in animal walkthrough areas.

MAKING MAGICAL MEMORIES

Make your big day unforgettable with our Animal Photography Package. Interact and connect with our amazing animals in intimate feeding and photography sessions, available as an optional extra.

Choose THREE of our animals to feed and capture the moment forever, with options including:

Giraffes

Rhinos

Lemurs

Otters

Wallabies

Red Pandas

Your guests can enjoy free access to Yorkshire Wildlife Park until closing time at 6pm - giving your party plenty of time to capture magical memories with the animals and exhibits!

Be transported to your photography session in style in one of our VIP Golf Buggies. We'll whisk you to your three chosen animals in no time, meaning more time for feeding!

STAY THE NIGHT IN LUXURY

No need to worry about getting from your venue to your accommodation, add a stay at our luxurious Hex Wildlife Hotel onto your package for better than advertised prices.

Just a short stroll through the park, this gorgeous hotel is situated within our park-adjacent Yorkshire Hive, meaning you and your guests will be slipping into slumber, as soon as the party ends.
