All our wedding packages include a one-night complimentary bed & breakfast stay in a standard king room. You can upgrade your stay to a Suite for just £100.00, or a Suite with balcony for only £125.00.

Every Yorkshire Wildlife Park Resort wedding can take advantage of preferential room rates for their guests available for the night prior to and following your big day; you can even choose the promo code to add that extra personal touch! And just to make it even better, all wedding guests who book your personal wedding rate with us direct will get complimentary park access on the day of departure. The perfect way to round off the celebrations!

Please note - guests who book via third party booking sites will not be eligible for complimentary park access.

MAKING A BOOKING & REGISTRAR INFORMATION

You can provisionally hold your preferred date at Yorkshire Wildlife Park Resort for up to 14 days without a deposit. An initial non-refundable deposit of £1000.00 will then be required to secure your date along with a signed booking form and a signed copy of our terms and conditions (signed by both parties). Once these have been received a confirmation and acceptance of your booking will be sent to you.

If you wish to hold your civil ceremony with us, once you have confirmed the date with the Yorkshire Wildlife Park Resort, you (the couple) should contact the local Registrar's Office. Couples must confirm that the Registrar is available to conduct the ceremony on the day and time in question. YWP cannot be involved with this, and it is your responsibility to make these arrangements.

Registrar Telephone Number: 01302 735222

The Civil Ceremony room hire fee to hold a ceremony at Yorkshire Wildlife Park Resort is £395.00 for one of our indoor venues, or £545.00 for one of our outdoor venues. If weather on the day does not permit use of the selected outdoor venue, the default indoor ceremony room for your wedding package will be used.

Our wedding team is on hand in the run up to your big day to offer advice and guide you through all the next steps of planning your dream wedding. They can be contacted by phone via the Hex Wildlife Hotel on 01302 279 494, or by e-mailing directly on hospitality@yorkshirewildlifepark.com.

Around 8-10 weeks before your special day, a member of the wedding team will be in touch to arrange your final details appointment. At this meeting we will need to confirm all timings of the day, your final numbers for both your daytime and evening celebrations, along with all your food and drink requirements for the day. Following this meeting a final invoice will be produced which must then be settled no later than 4 weeks prior to your wedding date. Please note that if payment is not received by this date a 10% administration charge will be added to the final amount due.

Please note - the Resort may host more than one wedding per day.
