Don't miss our 1st ever Secondary School Conservation Conference

Inspiring Tomorrow's Conservation Leaders

Wednesday 21 October 2026

HURRY! LIMITED PLACES EARLY BOOKING RECOMMENDED

Presented by the Wildlife Foundation and Yorkshire Wildlife Park in partnership with Harrison College.

We are delighted to invite secondary schools to join us for an inspiring and thought-provoking morning at Yorkshire Wildlife Park, bringing together young leaders who are passionate about making a positive difference to the world around them.

This unique conference will explore the vital role that conservation, sustainability and environmental responsibility play in shaping the leaders of tomorrow. Through engaging speakers, real-world conservation stories and interactive discussions, students will discover how leadership can drive meaningful change for wildlife, communities and our planet.

Who Should Attend?

Secondary school student leadership teams. Student leaders and emerging leaders in Year 9 and Year 10.

Why attend?

Students will:

- Gain inspiration from conservation professionals including Yorkshire Wildlife Park, the WildLife Foundation, Cheetah Conservation Fund, Save the Rhino and educational leaders.
- Develop leadership skills that empower them to create positive change within their schools and communities.
- Explore future careers and pathways linked to conservation, sustainability and environmental stewardship.
- Connect leadership learning with real-world environmental challenges.

Supporting School Priorities

The conference supports:

- Gatsby Benchmarks for Careers Education.
- Skills Builder Essential Skills Framework.
- Department for Education Sustainability and Climate Change Strategy.
- School's Climate Action Plan.

Cost

Attendance is completely **free of charge.**

Supporting School Priorities

TCV - The Conservation Volunteers

Join us for an unforgettable event dedicated to empowering the next generation of conservation leaders. Together, we can inspire young people to lead the change for a Wild Future.
