5.30pm - 7pm

During Term Time

Option to purchase  
our Expedition  
Evening badge

Ask for details

£240 per group

(30 people max  
including adults)

## Take your club on a wild adventure!

This is a 1.5 hour private tour with the education team where you can hear all about the parks history, important wetlands habitat and the array of native species at the park.

You'll also see some of our fabulous animals and learn about the conservation projects we're involved with. These are great as a link to club activity and challenge badges!

For more info and how to apply call 01302 535057 ext 277 or visit:
